JanuszDabrowski-O	EX	188.05	192.08	29.00	409.13	

Conditions were beautiful at Sunday's match. We had 19 shooters, 4 sling and 15 F-Class. We got a late start due to the Match Director having slept in so first shot downrange was at 9:06 AM and last shot was 2:05 PM. For those wondering if the October match will be NRA Approved, I have good news. The NRA has accepted our submission and we'll have final approval shortly.

In F-Class **Martin Tardif** edged out **John Stewart** by X's for 2nd Place while **Ted Montana** took 1st Place with a score of 588-21x.

In Sling **Marc Mittry** was 1st Place with 588-28x while **Ken Letwin** took overall Match Winner with a score of 591-24x, good shootin', Ken.

Next month's match will be Sunday Oct. 24, 1 week before the Bill Chapman California Long Range Regional at Coalinga followed a week later by the California Long Range Championship. Thanks to all the shooters that helped set up and take down the targets and

Martin Tardif
