The day started out very cold with light conditions and stayed that way until the late morning when it warmed up to shirt sleeve weather. There were no technical issues with the eTargets. There were 12 shooters total: 4-Sling and 8-F-Class. I think we had as many cancel as showed up.

Tom Whitaker led all shooters with a 587-21x for Match Winner. Jim Gaines was 1st Sling with 585-20x. Kevin Harris topped the F-Class group with 575-18x and brother Dan Harris was out x-ed for 2nd with 575-10x. Gene York was 3rd with 574-16x and Matt Thompson came in 4th with 572-14x.

Thank you to all the shooters that helped set up and take down the targets and flags. The next match is scheduled for Sunday, February 27.
