

# 2020 NRA Approved Mid-Range Slow Fire Prone High Power Rifle Match Sponsored By Burbank Rifle and Revolver Club

The mission of Burbank Rifle and Revolver Club is to promote the shooting sports and foster competition and fellowship in marksmanship. To that end, this series of tournaments is being held to help competitors establish NRA High Power Rifle mid range classifications. NRA membership is strongly encouraged but not mandatory for approved events.

Tournament dates: January 18th, February 15th, March 21st, April 18th, May 16th, June 20th, July 18th, August 15th, September 19th, October 17th, November 21st, December 30/31st (Annual New Years Eve Club Match).

## Match Schedule and Conditions:

Each match consists of a 600-point aggregate of three (3)-20 shot stages fired at 600-yards or, alternatively, a 600-point aggregate of four (4)-15 shot stages, 2 stages fired at 300-yards and 2 stages fired at 600-yards. We are limited to 5 targets at 600-yards. In the event there are 20 or fewer competitors, the match will be fired all at 600-yards. If there are 25 or more (up to 40), the match will be fired in the alternative 300/600-yard format.

If there are between 20 and 25 competitors, the course of fire will be determined by the match director prior to the beginning of the match.

## Courses of Fire:

Matches are primarily geared to 600 yards for up to twenty five shooters, 300/600 yards for twenty six to forty shooters at the match director's discretion.

**Primary Format: All 600-yards:** Each competitor will fire three (3) stages each consisting of unlimited sighters and 20 shots for record in a time limit of 30 minutes. Sling shooters will fire at the MR1 targets, F-Class shooters will fire at the MR1F target. The scores from the three stages will be added to obtain the match aggregate of 60-total shots for record.

**Secondary Format: Combined 300/600-yard:** Each competitor will fire two (2) stages at 600-yards consisting of unlimited sighters and 15 shots for record in a time limit of 22 minutes; and two (2) stages at 300-yards consisting of unlimited sighters and 15 shots for record in a time limit of 22 minutes. Competitors starting at 600-yards will fire their four stages at 600-yards, 300-yard, 300-yards, and 600-yards respectively; competitors starting at 300-yards will fire their four stages at 300-yards, 600-yards, 600-yards, and 300-yards respectively.

Sling shooters will fire at the MR1 targets at 600-yards and the MR31 targets at 300-yards, F-Class shooters will fire at the MR1F target at 600-yards and the MR31F at 300-yards. The scores from the four stages will be added to obtain the match aggregate of 60-total shots for record.

A competitor's total, aggregate score will be used for award purposes and for reporting to NRA for classification. Individual stages will not be reported as complete matches. If a competitor fails to complete his three or four stages, the partial score will be reported under the total aggregate fired format. Scores fired in either format will follow NRA rules 7 and 7.20(a) respectively.

The BRRC mid range match has transitioned to an electronic target system but conditions may occur when it will be necessary to pull targets in the pits. In the event of such conditions, competitors would be required to operate targets in the pits.

**Rules:** Current NRA High Power Rifle rules apply. The match is open to any rifle conforming to NRA HP Rifle Rule 3.2 and any sight" conforming to NRA rule 3.7(c).

**3.2 Any Rifle** - A rifle with no restrictions on sights or accessories, except that it must be safe to competitors and range personnel. Ammunition will be restricted to no larger than .35 caliber.

The **3.7 Sights** (c) Any - Any sight without restriction as to material or construction.

**3.16.1 Compensators and Muzzle Brakes** -The use of compensators or muzzle brakes is prohibited. (The California legal muzzle device on M1A's is exempted from this restriction).

**7. Courses of Fire** - Under this rule, "other course of fire, other time limits, or the use of other targets, may be scheduled by sponsors provided the condition are clearly stated in the program".

**7.20 Mid Range Prone Courses** - Prone 600 or Split 300/600, 15 or 20 shots per stage. Separate stages are not reported for classification. Total match aggregate of 600 points are reported for NRA classification purposes per rule 7 (Courses Of Fire).

**F Class** - F-Class shooters are welcome. F-class scores will be used to determine match winner. F-class scores will be submitted to the NRA and will be used for classification separately under the NRA's statistic guidelines. F-Class competitors will shoot on the correct NRA F-Class target for all distances.

**Advisory on Reporting of Scores** - Rule 19.13 Reporting Scores - NRA competition (see Rule 1.6) sponsors will report to the NRA all individual and fired team match scores fired over the courses as stated in Rules 19.5 and 19.5.1. As the Mid Range Prone event operates under rule 19.5.2 Courses of Fire, there is no governing rule requiring the submission of scores to the NRA for these events. However, competitors shooting in this match will have all their scores turned in to the NRA to promote the competitor's advancement to High Master Classification.

**Registration/Entry fee:** individual entry fee for NRA approved matches is \$20.00 for BRRCC club members and \$30.00 for participating guests. Active duty military personnel will not be charged an entry fee.

**Entry limit:** At match director's discretion, primary format @ 600 yards; maximum of 25 shooters. At match director's discretion, secondary format at 300/600 yards; maximum of 40 shooters. Competition open to: all for approved matches, NRA members for any future registered matches.

Entries close: 08:15 am day of match.

Firing starts: 8.45 am

Club's New Year's Eve NRA Approved match held on 12/30 and 12/31 are two (2) separate events. Any competitor shooting either day will be required to pay a separate entry fee for each day.

**Mail entries to:** Entry fees will be due on the day of the event. Do not prepay for these matches as they could be canceled by weather.

**Classification of competitors:** NRA high power mid range rifle classifications will be used. Be prepared to show proof of your current classification. If you have not yet been issued an NRA mid-range classification, master unclassified will be used.

**Safety:** Empty chamber indicators will be used. Eye and ear protection is required. Each competitor will receive a copy of the range safety rules and will sign waiver of liability before being allowed to compete. Any disregard for safety may, at the sole discretion of the match officials, result in disqualification from the match.

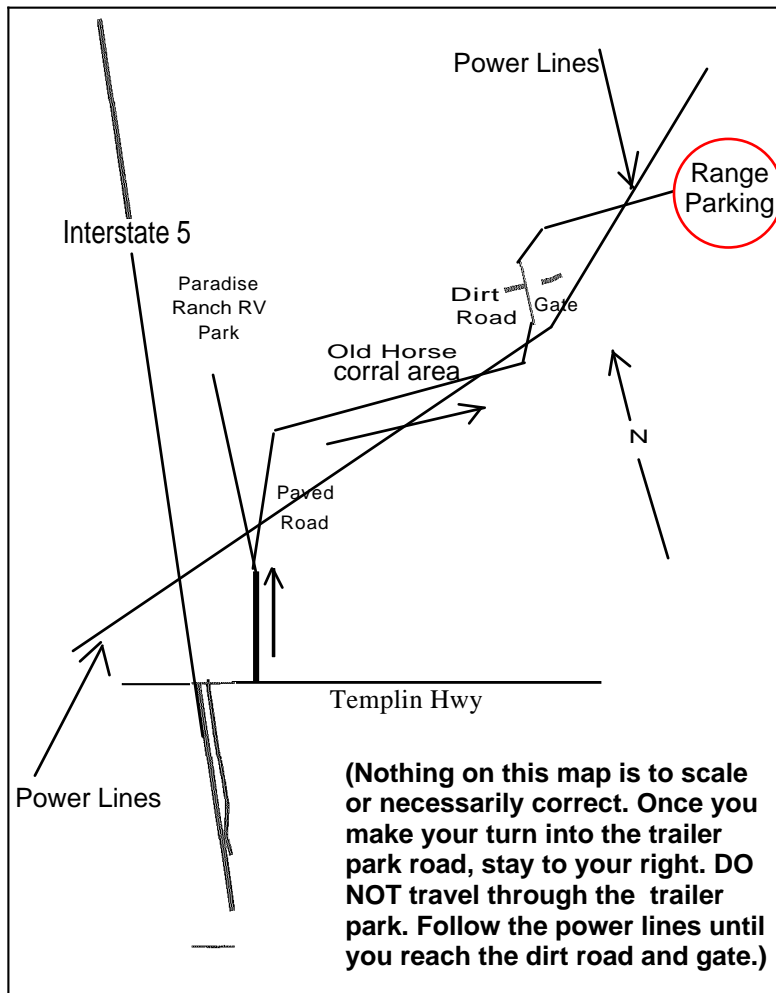

**Match cancellation:** in the event of inclement weather or fire in the area, the match is subject to cancellation This includes rain prior to the day of the match which may make the dirt road passage difficult. If there has been rain in the Castaic area (including the Los Angeles basin) during the week preceding the match, competitors should call to verify that the match will be held. **IF THE ROAD IS WET, DO NOT DRIVE ON THE ROAD!**

**Additional Equipment Requirement:** As BRRC transitions to an electronic target format, it will be necessary for each competitor to be able to access the electronic targets on an individual basis. Each shooter must be able to access the targeting system wirelessly by laptop, cell phone Android or any other device that is able to access a wireless network. BRRC does not provide these devices.

**General information:** Competitors and spectators must provide their own drinking water and food. There is a shade structure but providing your own is recommended as an auxiliary measure during the summer months. Their placement shall not interfere with range safety. Lavatory facilities are available. No food or electricity is available. Overnight camping by non-members is available on a limited basis by prior arrangement only. Motel accommodations are available in nearby Castaic. No trash pickup at the range - take out what you bring in.

**Directions to range:** Take Interstate 5 to the Templin Highway off ramp (approx. 5 miles north of Castaic). At the foot of the Templin Hwy off ramp, turn east. Approximately 50 ft east of Interstate 5 turn left (north) onto Paradise Ranch Road. Proceed approximately 200 yd over the rise in the road to where the paved road forks. Go right at the fork. Continue until past the RV park and race track. Near the end of the road, where the paved road turns left (and ends in a driveway shortly thereafter), continue straight ahead leaving the paved surface going onto the narrow dirt road which bends to the left. Follow this road past the entry gate, proceed to the range and park
