9	Larry Espinoza	0	4	1	0	7	7	19
10	Big Mike	1	2	2	0	1	0	6

14 Excellent match today. Beautiful weather, mild temps, cool breezes. Lots of help setting up the course.

**Stage 1)** 100 yard line, pool ball target. 5 Ball numbers announced to each relay and commence fire command given. 30 sec. par time. **Even G** and **Martin** led this stage with 4 each.

**Stage 2)** 200 yard line, barricade drill. 10 positions: 6 strong side, 4 weak side, 5x8 paper IPSC silhouette. 1min.40 sec. par time (will lengthen that par time). **Henry G** and **Darren** racked up 4 hits each.

**Stage 3)** @400 yds., Know Your Limits, 5 steel swingers in a row, from left to right-10"=1, 8"=2, 6"=3, 4"=4, 2"=5. 40 sec. par time. If you miss you zero out and start over. **Henry G, James, and Darren** all stopped at the 4". Someday someone will tag that 2"...for 15 total points!

**Stage 4)** Timed Exposure, 600 yds., 8-1/2"x11" colored paper targets exposed at random locations along the pits berm, 5 exposures, 5 shots only. **Henry G, James, Martin and Steve** got 4 hits.

**Stage 5)** Movers, still at 600 yds., each relay shot at 24x14 carboard torsos with the same color as their timed Exposure. Torsos move back and forth along the berm for 12 sec. at 2-3 mph., this is repeated 5 times. Shooters have 15 rounds to make 15 possible points. **Henry G, James and Larry** got 7 hits each.

**Stage 6)** 1,000 yds., SR-3 NRA High-power target. 2 min. par time, 10 shots only. Any hit in the black is 1 point. Martin and Larry reached out 5/8 of a mile for 7 hits each.

Stage 7) As the score shows we had a tie at the top so Henry and James went to a tie breaker. Pool ball target at 100 yds, 1min. par time, 5 numbers, 5 shots. Sooooo...we had another tie! I decided to Creedmoor it and Henry Garay got the win. Good shooting Henry and thanks to everyone who participated. We will repeat this format on June 24th, with some tweaks.
