

BRRC Precision Rifle Challenge November 2021

Thanks to everyone who came out to the last match of the year. 2021 was a good year for BRRC precision rifle match shooting. We had a lot of great stage ideas and a couple of bad ones, but at the end of the year we learned a lot. We think 2022 will be another challenging and fun year. Also, for the new guys and mid pack shooters we will probably do another precision rifle clinic in the spring. Congrats to our top three competitors, good shooting guys. A special thank you to Henry, Solomon, Geoff, and Monica for laying down their rifles to help run the match, it made everything run smoothly. Looking forward to seeing everyone at the next match in February 2022.

Congrats to the top 3. Left to Right: 2nd. Anthony, 1st. Evan, and 3rd. Larry
